Women's World Festival 2008

It is with great pleasure and much Aloha in welcoming you to the Women's World Festival 2008 at the Hawaii Convention Center. Our festivities have been selected to reflect our mission ***H.U.E.-To Honor, Uphold, and Enhance*** our Women with life achievements and creative talents.

We are here to provide our members and attendees **ethnicity, culture, entertainment, music and self enhancement.** These are moments to share with our families and friends.

We aim to open doors for those who have experienced challenges within their lives to find a way for towards the fulfillment of their dreams. It is a time to share their confidence, their integrity, and most of all their love of talent within. ***Women Of Our World*** will allow another to capture their own faith and be in reality of their own inspirations and aspirations. Because of this, Women's World Festival is a premiere launch of our yearly celebration for everyone to allow these discoveries to happen.

Congratulations to our Ms. Women of Our World 2008 Honorees. You are individuals that are truly filled with ***Kindness, Patience and Love*** ... as you receive your award on that day, it will forever be in our hearts that "you have made a difference" with your love and commitment. Our festival gives you the stage to SHINE! Enjoy your achievement and your God given talents with lasting memories!

We thank all who will participate in our festival. Your time, effort and contributions, your support and concerns during our planning and preparation is very much appreciated. We look forward to our festival and hope to see you as a family and a team member.

" A festival of color, much love, and more love! ... We believe you will enjoy every moment!"
